

HEALTH ATTITUDES

- 1 Agree Strongly
- 2 Somewhat Agree
- 3 Somewhat Disagree
- 4 Disagree Strongly

- 103*61 I go to the doctor regularly for check-ups
- 103*62 I prefer alternative medicine to traditional medical practices
- 103*63 Generic medications are as effective as brand-name prescription drugs
- 103*64 In general, I feel I eat right (measured as "In general, I feel I exercise and eat right" in Wave 51)

- 103*65 I don't feel herbal supplements are particularly effective (measured as "Herbal supplements have not been researched enough and may be dangerous" in Wave 51)
- 103*67 I'm often first to try the most advanced medicines
- 103*68 I prefer popular brand-name drugs, even if they cost more (measured as "Sometimes popular drug brands cost more, but I'll still use them" in Wave 51)
- 103*69 I rely on my physician to recommend drug brands

- 103*70 In general, newer drug brands work better than older brands
