

HEALTH ATTITUDES

- 1 Agree Strongly
- 2 Somewhat Agree
- 3 Somewhat Disagree
- 4 Disagree Strongly

- 103*61 I go to the doctor regularly for check-ups
- 103*62 I prefer alternative medicine to traditional medical practices
- 103*63 Generic medications are as effective as brand-name prescription drugs
- 103*64 In general, I feel I exercise and eat right
- 103*65 Herbal supplements have not been researched enough and may be dangerous

- 103*66 I'm often first to try the most advanced medicines
- 103*67 Sometimes popular drug brands cost more, but I'll still use them
- 103*68 I rely on my physician to recommend drug brands
- 103*69 In general, newer drug brands work better than older brands
- 103*70 If a drug brand works, there's no need to try another
