- 4 Disagree Strongly

93*53 I go to the doctor regularly for check-ups.
93*54 I prefer alternative medicine to traditional medical practices.
93*55 Generic medications are as effective as brand-name prescription drugs.
93*56 In general, I feel I exercise and eat right.
93*57 Herbal supplements have not been researched enough and may be dangerous.

93*58 I'm often first to try the most advanced medicines.
93*59 Sometimes popular drug brands cost more, but I'll still use them.
93*60 I rely on my physician to recommend drug brands.
93*61 In general, newer drug brands work better than older brands.
93*62 If a drug brand works, there's no need to try another.
